On Sunday, October 14th Order of Omega hosted a community service event for the Greek Community at Lane Springs. Among the thirty plus students, five different Greek chapters were represented. The day consisted of cleaning up the hiking trails and picking up trash around the perimeter of the campground. A couple students stayed back at the pavilion to grill burgers and dogs for those cleaning. In total 62 hours of community service were recorded.

Many students may know The Community Partnership by their Resale Shop in town — a nice place to get discounted furniture and kitchen utensils. Or maybe they have volunteered there and reorganized clothing racks. Many don't think past the obvious to see what else The Community Partnership offers to those in the Rolla area. They serve children, youth, and families through a variety of programs in the primary areas of foster care, pregnant and parenting youth, childhood disability, and early education. They have multiple programs that focus on these aspects in order to improve the lives of those in need. The Community Partnership Resale Shop provides the organization some funding to help all of these programs. The time you give at the shop is actually benefitting numerous education and assistance programs that have helped many people in the Rolla area.

For more information you can visit The Community Partnership Website at https://www.thecommunitypartnership.org/

If you are interested in volunteering on November 10th with the Second Saturday Service group you can register on Orgsync.

Holiday Craft Bazaar:
Newburg Children's Museum is hosting the Holiday Craft Bazaar in Downtown Rolla. We are the only natural history museum between St Louis and Springfield, serving those in our local, rural communities who otherwise have no way to travel to a city museum. We have an annual Holiday Craft Bazaar that this year will be on Saturday, November 3rd from 9-3 at the Eugene Northern Community Hall in Rolla (behind Family Video on 6th Street). We need help early with unloading vendor vehicles and setting up tables from 7:30-9 and help taking everything down and cleaning up from 3-4. Biscuit and gravy breakfast and homemade soup lunch will be provided. For more info contact Nancy Allen at 573-202-4415 or applique@yhti.net

Don't forget to vote on Nov. 6th! This is an important opportunity to be part of the Rolla community. For more information about the candidates and measures on the ballot you can visit ballotready.org.

Join the ladies of Lambda Sigma Pi for all you can eat homemade chili, chips, and cheese! We'll have vegan and gluten free accommodations. All proceeds benefit local charities, and veterans eat for free! Cost is $4 in advance and $5 at the door. We'll also have a silent auction with generous donations from local Rolla businesses.
