Scholarships:

**ROMO:** The most critical time in a student's life is his first semester at college; it is when a student develops his study habits. Habits that a student forms his freshman semester can dictate the type of student that he becomes. Sigma Nu offers this GPA based scholarship to motivate each student and reward those who retain their study habits. The ROMO Scholarship is offered in two parts. Firstly, it is awarded to Freshmen following each of their first two semesters and the awards are:

- \$250 for a 3.0 or greater
- \$500 for a 3.5 or greater
- \$750 for a 4.0

**Hasselmann Fund:** The Hasselmann Fund Scholarship was established in Honor of an alumni of our chapter, Karl F. Hasselmann. He gave a portion of the proceeds from an oil well to our fraternity, which we use to help reduce the financial burden of Missouri S&T for our out of state members. The Hasselmann Scholarship is for out of state students and it pays the entirety of the House Bill and meals

Requirements:

- Received at least a 3.25 GPA in the previous semester at MST
- Score 30 or higher on the ACT
