Chapter GPA Rankings Overall Composite

Notes on GPA metrics:

- Metrics are based on the Active Members column. All GPAs are calculated from the members listed as Active, disregarding members on Co-Op, studying abroad, or marked as inactive.
- Chapters and GPAs listed with a # are withheld from calculations as reporting them would be a violation of FERPA due to the number of students available for that metric.
- The chapter highlighted in gold is noted as the highest-achieving academic chapter for the given semester due to the university's prioritization of the semester credit-adjusted GPA.
