

Potential Recognized Student Organization Preliminary Questions

The questions below are to be answered and submitted before your first meeting with a Peer Involvement Advisor. Please take time to consider these questions and your responses. Keep your responses concise and to the point, the purpose of this is to document your thoughts so that you can be prepared to talk about them in your first meeting.

1. What do you want students at S&T to gain from being a part of your organization?
2. How do you plan to develop a membership base?
3. Have you recruited an advisor? How do you plan to work with them?
4. What makes your organization unique from other organizations that already have recognition?
5. Do you know if there have been other organizations with goals like yours at S&T? If so, how will you ensure your organization continues to thrive?
6. What do you foresee as challenges for your organization?
