Regional Hospice:
Regional Hospice is in need of volunteers to spend time with patients who are in their final stage of life. These volunteers add some light and company to these patients lives in a time when they need it the most. The volunteering can be anything including companionship, reading books, listening to music, or watching tv. These patients really enjoy interacting with young people who are excited to see them! The areas in need of volunteers include Lebanon, Waynesville, Dixon, Springfield, Joplin. If you are interested in volunteering please contact Stephanie Wiener at swiener.leb@regional-hospice.com or 417-532-5139.

Kaleidoscope:
Kaleidoscope is currently recruiting summer help. We need volunteers to teach STEM-based summer camps, assist in said camps, plan STEM curriculum, office work, community outreach teams, exhibit building and more! If you can commit 40 hours a week, you can even apply for a living stipend though AmeriCorps! Contact Brandy Howdeshell at 573-308-9082 or outreach@thekaleidoscope.org if you are interested.

Ozark Actors Theatre:
Ozark Actors Theatre here in town could use some work. We are in the middle of a major renovation and could use some volunteers to help us come in on schedule and budget. If you can paint, stain, clean, move, have a trailer, can make our flower beds look pretty, etc....we could use you. We will be working every Saturday and many evenings from now until June 13th. If you can drop in for even just a few hours please come on by. If you have questions or can help please contact Kim Morgan at (573) 364-9523. In return you will get a sneak peek of the new playhouse!

St. James Caring/Senior Center:
St. James Caring/Senior Center does not have a website to promote our services. We would be thrilled to have a student design and assist with maintaining one. The center offers assistance to senior citizens and others in the community who are struggling to feed their families or provide a healthy home life. Our Thrift Store is stocked with donated items being sold at a reasonable price... clothes, toys, furniture, housewares, sporting items... anything a family would need. Volunteers are needed to sort and price items, unload donation items. In our food pantry we received truck loads of healthful food to distribute during our commodities day, which supplies a months worth of food to 200-250 families every third Thursday of the month. If you want a rewarding and challenging place to volunteer, we are it! You will return home tired, but with a smile on your face and a renewed kindred heart knowing how many families were touched by you. We need volunteers Monday-Friday from 8:00 am to 4:30 pm. Whatever time students can spend with us would be appreciated. Contact Nancy Montgomery at ccenter@socket.net or 573-265-2047.

If you will be in STL this summer don't forget to sign up to volunteer at the Boeing STEAM event. An opportunity to get youth excited about STEAM subjects! http://tinyurl.com/y2h7bkz6
