We are Omega Sigma, a service organization here at S&T! As a smaller organization with about 25 members, we are not the most well known, but we are growing each semester. In addition to volunteering throughout the Rolla community, we have sisterhood events and socials with other campus organizations. Since we are all animal lovers, the Rolla Animal Shelter became our philanthropy in the fall of 2017. We will have a fundraiser later this semester at Sawadee Thai to raise money for their S.A.V.E. Campaign, which was started to raise money to build a new facility. Recently we have volunteered with Special Spaces, a nonprofit dedicated to renovating rooms for children with critical illnesses. We also volunteered with the Phelps County Faith Distribution for their September food distribution. These monthly distributions take place at Grace Church in Rolla and provide food for 15,500 people in the Rolla Community each year. We hope to be a part of their distributions each month from now on! In the coming weeks we will be volunteering with the Community Partnership and the HOPE Alliance of Missouri, just to name a few. Our recruitment period is over for the fall semester, but anyone interested in volunteering with us is always welcome!

After every second Saturday service we ask that all participants do a short reflection. We call it the top take away from the day; anything that they feel like impacted them that day or something they would remember even after leaving the community partner.

Participants tend to have some awesome responses to this, they often share that they feel like they made an impact in someone's life, learned something new, or met someone they could see themselves being friends with. Above are just a few of the responses we have gotten from several different second Saturday service projects.

Rolla Presbyterian Manor:
We are looking for Volunteers who would be willing to work with us on a regular basis this school year. This would not be for groups just individuals who are willing to give their time for our residents.

- A writer who can write life stories of our residents through interviewing residents and family members.
- A student who can play acoustic guitar for our residents on a once a month or more commitment.
- A student who is familiar with Itunes who can work with our residents loading favorite music on Ipods for individual residents.

For more info contact Joy Parker at 573-364-7336 or jparker@pmma.org

We accept articles and stories, announcements for volunteer, civic engagement, and fundraising/philanthropy events, and nominations for Volunteerism and Civic Engagement Spotlight.

Tomorrow is the Volunteer Opportunities Fair at Thomas Jefferson Residence hall! Don't miss out on all kinds of fun activities such as making dog toys for local rescues, painting hope rocks for Russell house, and coloring in postcards for elderly in the community. There will also be snacks and awesome raffle basket drawings including S&T apparel, exploding kittens card game, and fall décor. Can't wait to see you there.
