

What is Primary Recruitment?

Primary Recruitment is the formal process through which potential new members (PNMS) learn about the different sororities within the Panhellenic Community. It takes place over 3 days and includes multiple rounds where PNMs visit each chapter, meet members and participate in conversations that showcase the values, sisterhood and philanthropy of each sorority. The goal of Primary Recruitment is to match PNMs with a sorority where they feel welcomed, supported, and aligned with the chapter's mission and values.
